

## Municipality of Best

In the 2004-2005 season, 26 block-shaped *Acer campestre* 'Elsrijk' were planted in the Wilhelminaplein in Best. These block-shape trees have a height of 2.25 metres and the block is 140 x140cm. A screen of *Carpinus betulus* 'Frans Fontaine' in the size 20-25 was also planted in this square. In the spring of 2006, roof *Liquidambar styraciflua* were planted at 't Heerbeek in the Molenstraat in Best. These trees were planted in the sizes 30-35 and 35-40. The spectacular autumn colouration makes these trees a feast for the eye all year round.
